

Guideline of Full Paper Submissions

(1) Template of 6-pages full papers

Please download and use **one of the following template**, depending on your interest to publish in CET:

(i) [Chemical Engineering Transactions](#) – CET publication with DOI, indexed by SCOPUS (the quality of the article, format and scopes must be adhered strictly to the standards of CET)

(ii) [Proceedings only \(Non-CET\) publication](#)– will be only inserted in the electronic proceedings. Avoid future full journal article similarity cross-check problems. Special Issue selections **will be selected from both CET and Proceedings conference-only papers.**

(2) Submission of 6-pages full papers

Please upload your full-text conference contribution(s) via the system before **15 May 2018**. Late contributions cannot be guaranteed for publication in the CET volume.
